PERSONAL SUMMARY

A motivated and results-oriented Master's candidate in Computer Science (awaiting viva voce) with a strong academic background and hands-on experience in software development and research. Developed practical skills in full-stack web development, UI/UX design, and database management through roles as a Junior Laravel Developer and research assistant. Currently conducting research in Natural Language Processing (NLP), deepening technical expertise and analytical problem-solving abilities. Proven ability to contribute effectively to software projects, supported by internships and certifications in data science and cloud technologies. Eager to apply technical skills, collaborate in dynamic teams, and grow professionally by solving real-world challenges.

EDUCATIONS

Master of Computer Science (Research)	Bachelor of Computer Science (Hons)	Diploma of Computer Science
Universiti Teknologi MARA (UiTM)	Universiti Teknologi MARA (UiTM)	Universiti Teknologi MARA (UiTM)
Status: Awaiting viva voce	CGPA: 3.67	MUET: Band 4	CGPA: 3.87

WORK EXPERIENCES

Junior Laravel Developer - Amiro Technology   **Jul 2023 – Sep 2023**

- Designed the SJPay system layout and user interface for both website and mobile platforms (using Figma).
- Developed the front-end web interface using Bootstrap and integrated it with basic Laravel components.
- Utilized MySQL to support front-end data display and basic form handling.

Post Graduate Research Assistant - Universiti Teknologi MARA (UiTM)   **Nov 2022 – Mar 2023**

- Reviewed and updated lecture slides for diploma and degree courses based on current textbooks and academic references.
- Produced an introductory video to promote the Faculty of Computer and Mathematical Sciences.

Internship Student - Entiti Kecemerlangan Digi Science (DIGSCI)   **Feb 2022 – Aug 2022**

- Designed and developed two key systems: Transfer Credit Checker and Course Registration System.
- Delivered functional systems for UiTM Melaka Branch (Jasin Campus) students within the academic timeline.

Internship Student - Keretapi Tanah Melayu Berhad (KTMB)   **Jul 2019 – Sep 2019**

- Designed and implemented i-VLog, a digital visit log system for KTMB Kargo.
- Delivered a working solution aligned with organizational needs and timelines.

ACHIEVEMENTS / CERTIFICATIONS

- Microsoft Certified: Azure Data Scientist Associate (DP-100) (B63389-7445DZ).
- Certification of Data Scientist from DataCamp.
- Dean List Achiever for 4 out of 5 semesters (Diploma; Degree).

EXTRACURRICULAR ACTIVITIES

1. Weekly Community Service   **Ongoing**
   - Prepare and donate meals weekly to my hometown mosque as part of a personal charity effort.
   - Occasionally cook and share meals with the homeless.
2. Volunteer, CIMB Corporate Social Responsibility (CSR) Program CIMB Group   **Oct 2024**
   - Participated in a coastal conservation initiative to clean a turtle conservation area.
   - Assisted in guiding newly hatched baby turtles safely to the sea as part of marine life preservation efforts.
3. Volunteer, CIMB Corporate Social Responsibility (CSR) Program CIMB Group   **Sep 2023**
   - Visited a local senior care home to clean the facility and provide companionship.
   - Engaged with elderly residents through meaningful conversations and community bonding.

TECHNICAL & SOFT SKILLS

GitHub · Python · Laravel · MySQL · JavaScript · HTML · CSS · Bootstrap · Figma

Problem-Solving · Attention to Detail · Time Management · Adaptability · Team Collaboration · Communication · Observant · Willingness to Learn
